Dear Joseph,

On behalf of the Joan & Alan Bernikow JCC of Staten Island and the thousands of children we serve, thank you for your generous donation of \$4,200 to our Alan Bernikow Memorial JCC Golf & Tennis Classic. We were proud to be able to honor our dear friend Alan Bernikow and carry on his legacy through this special event.

The money raised at this event allowed us to award camp and day care scholarships to children who are seriously in need, including children with special needs. These scholarships offered them a joyous and safe summer at no cost to their families. Your support *directly* impacted Staten Island families who need our help the most. Since the inception of this event, and the generosity of our donors, to date, we have been able to give more than \$2 million in scholarships. You can see our full list of sponsors at SIJCC.org/golf.

We are most grateful for your support of our organization and our goal of meeting the needs of the children living on Staten Island.

Sincerely,

Alan Poritz
